PLACEMENT LIST OF MEDICAL INTERNS, AUGUST 2025 TO JULY 2026.

The Uganda Medical Internship Committee (UMIC) Secretariat has concluded the placement of medical interns for the period of one (1) year **w.e.f 3rd August 2025 to 31st July 2026.**

This placement includes graduates who have completed their training this year 2025 and earlier, excluding the nurses and midwives upgrading from Diploma level whose medical internship was waived as a resolution of the Human Capital Development Program Interministerial Committee on Health and Education.

The purpose of this letter, therefore, is to forward the list of medical interns placed at your respective hospitals for your information and further action.

Accordingly, you are advised as follows:

1. To make immediate arrangements to ensure timely commencement of the internship program.
2. To conduct a facility-based **induction/orientation** for all the medical interns before commencement of their clinical deployments.
3. To submit the list of interns who have reported at your respective hospitals not later than **15th August 2025**, to facilitate processing of their allowances.

All deployed interns are expected to report to their stations by **3rd August 2025**.

Looking forward to your usual cooperation.

Dr. Charles Olaro
